Texas' Marine Underwriters of America Acquired by DOXA Insurance Holdings

DOXA Insurance Holdings LLC (DOXA) has acquired Conroe, Texas-based Marine Underwriters of America (MUA), a niche agency serving the marine industry with specialized insurance policies for ocean marine, inland marine and related property for commercial and recreational marine customers.

Marine Underwriters of America will continue its operations under the leadership of President Mike Hartley and his staff from the company's home in Conroe. The company will retain the Marine Underwriters of America name.

DOXA Insurance Holdings, a holding company that acquires specialty niche-focused insurance distribution companies such as managing general agencies, wholesale brokers, and program administrators, is headquartered in Fort Wayne, Ind.

MarshBerry served as financial advisor to MUA on this transaction.
