HUB International Acquires Employee Benefits Unit of Indiana's The Healy Group

Insurance brokerage HUB International Limited (Hub) has acquired the employee benefits division of The Healy Group Inc. (Healy Benefits), based in South Bend, Indiana.

Terms of the transaction were not disclosed.

Healy Benefits provides employee benefits solutions, including benefits communications, workplace-wellness plans and risk management seminars.

Owners and risk management advisors, Tony Nyers and Chris Rowland, and Alicia Webber, benefits advisor, along with their experienced staff will be joining Hub Midwest East.

Headquartered in Chicago, Hub International Limited provides property/casualty, life and health, employee benefits, investment and risk management products and services.
