## Webb Insurance Group Acquires Carney Insurance to Expand in the Tampa Bay Area

07-29-2020 11:11 AM CET | [Business, Economy, Finances, Banking & Insurance](#)Press release from: [Webb Insurance Group](#)

Carney Insurance joins Webb Insurance Group as President, Laura Webb aspires to grow her Insurance Agency and take on new clients.

July 28, 2020, Tampa, FL. - Webb Insurance Group was formed in 2004 when President, Laura Webb, took over a Nationwide Insurance firm that had previously served Tampa Bay for over two decades. Since then, Laura and her team have established an Insurance agency known for its loyalty, customer service, and competitive offerings. Webb Insurance Group has also been acknowledged for their dedication to the highest level of customer service on both local and

national levels. The Tampa based agency is now expanding after Laura Webb has acquired Carney Insurance, an insurance agency based in Hudson, Florida.

“We are very excited to announce that Carney Insurance has joined the Webb Insurance Group. We will offer the same high level of service that we always have been and more,” says Webb Insurance Group President, Laura Webb. “The merger has been an exciting journey and I am looking forward to working with the existing Carney Insurance customers. With a new location, we are now able to offer our services to a broader clientele, which makes this a thrilling opportunity for the Webb Insurance Group to excel in the field.”

Webb Insurance Group is an independent agency that deals with all aspects of home, automobile, and business insurance services. The agency represents over 20 reputable insurance providers, which enables them to compare and guide you to select the coverage that matches your described needs.
