## NSI Insurance Group Acquires Miami-Based White Cloud, Express

NSI Insurance Group, an independent insurance agency specializing in risk management, employee benefits, and insurance services for businesses and individuals, recently made its third and fourth acquisitions in the past 15 months, with the purchase of White Cloud Insurance and Express Insurance, both in Miami. NSI Insurance Group now has four offices throughout South Florida.

NSI Insurance Group, founded in 1958, ranks among the largest privately owned firms in Florida and operates within five business segments including personal and commercial insurance, employee benefits, and specialty programs. The company has achieved robust growth, driven by a combination of expansion in existing verticals and strategic acquisitions

Last year, NSI Insurance Group acquired Fort Lauderdale, Florida-based Pallant Insurance, one of the largest LGBTQ-owned and managed agencies in the state. The Pallant brand continues under the same leadership as a subsidiary of NSI Insurance Group. Last summer, the company acquired Ensurgroup, based in South Miami, while the Express Insurance and White Cloud acquisitions closed in the past few months.
