## The Liberty Company Insurance Brokers Forms MGA Aura Risk in California

The Liberty Company Insurance Brokers formed a new managing general agency, Aura Risk Management, providing program administration and a wholesale trading platform for its carriers, Liberty producers, and Aura's growing national network of select agencies.

San Clemente, Calif.-based Aura Risk Management has been launched as a member of The Liberty Company Network of Insurance Brokers.

Aura Risk is led by its President Tony McIntosh. McIntosh leads the development of bespoke products and manages programs that support both the Liberty Company and select external retail partners. He spent several years developing, growing, and underwriting programs with KRM Risk Management, an MGA in Southern California.

Aura Risk Management is an MGA administering programs and aggregating commercial and personal lines wholesale placements through its national network of carriers, producers, and agency partners that is licensed in more than 30 states.
