SACRAMENTO, Calif.--(BUSINESS WIRE)--Inszone Insurance Services, a rapidly growing national provider of benefits, personal, and commercial lines insurance, announced today the acquisition of Cardenas Insurance Services.

Established in 2006 by Christina Cardenas, the team at Cardenas Insurance Services has worked under the mission of being the policy holder's partner, striving to understand their business needs and making their job easier by providing client driven solutions, and top-notch service. The out of the box thinking at Cardenas Insurance Services makes the staff unafraid to challenge conventional wisdom in their approach to insurance and protection.

The team at Cardenas Insurance Services will continue working out of their current location and transition over to a new Inszone office in Ontario in early 2022.

"With the acquisition of Cardenas Insurance, we bring our total office count in California to 13, and have now completed 22 acquisitions in the state," said Norm Hudson, CEO of Inszone Insurance. "With targeted acquisitions we are striving to acquire the best of the best, bringing the highest caliber of agencies and staff to our company. Cardenas Insurance is a perfect example of that, and we are very excited to have them join our Inszone family."

Inszone Insurance is expected to announce a number of important acquisitions in the upcoming months as it continues to build its national presence.
