## **About Scottish American**

Scottish American was founded in 2009. It grew out of an investment fund focused on acquiring and managing insurance distribution businesses. The company takes pride in its unconventional, producer-led culture. Teamwork is exemplified by lack of official titles and entirely flat organizational structure. Responsibility isn't delegated, it's taken. Scottish American works with a long list of carriers in both admitted and non-admitted markets on the East and West Coasts, as well as in Texas.
