SACRAMENTO, Calif.--(BUSINESS WIRE)--Inszone Insurance Services, a rapidly growing, national provider of benefits, personal and commercial lines insurance, announced today the acquisition of Employers Choice Insurance Services Inc.

Founded in April of 1998 by Gary Menely, Employer's Choice Insurance Services has become the go to agency for Workers Compensation in Oceanside and the surrounding areas. Through the years Mr. Menely has been successful at turning Employer's Choice into one of California's leading Commercial Insurance Agencies. Although Employers Choice Insurance has a strong focus on Workers Compensation, they also wrote for the needs of their commercial clients with General Liability, Commercial Auto, Group Health, and Payroll. Employer's Choice Insurance took advantage of the power of advertising through Google and this leap into new technologies proved incredibly successful for Mr. Menely and his team. We are excited to bring such an innovative group into the Inszone family.

As part of the acquisition, Inszone Insurance will retain Employers Choice Insurance Services employees, as well as the current location in Oceanside, CA.

"We are excited to bring Employers Choice Insurance Services into the Inszone Insurance family," said Chris Walters, CEO of Inszone Insurance Services. "What Gary and the team have accomplished through their targeted advertising, use of new technologies, and expedited service to new customers has been incredible, and it is something that we are looking to grow within Inszone."
