

South Carolina Federal Insurance Solutions acquires Arthurs Insurance

NORTH CHARLESTON, SC (November 29, 2022) — South Carolina Federal Credit Union's wholly owned subsidiary, South Carolina Federal Insurance Solutions*, has acquired the assets of Arthurs Insurance & Risk Management Services, an independent insurance agency located in Greenville.

Insurance Solutions offers home, auto, and business insurance to clients across the state, supporting South Carolina Federal's commitment to providing members with comprehensive financial solutions. The acquisition enables Insurance Solutions to expand their presence in the Upstate, especially among business clients.

As part of this acquisition, Chris Arthurs joined Insurance Solutions as area manager for the Upstate and will continue to assist his clients while serving South Carolina Federal members in Greenville and the surrounding areas.

“Chris’ extensive knowledge and experience, and robust clientele base make him a terrific addition to the team,” said Joe Grech, President of SCF Solutions, LLC. “We are excited to welcome Arthurs Insurance clients to the Insurance Solutions family and look forward to continue helping folks in the Upstate protect their most important assets.”

Before founding Arthurs Insurance & Risk Management Services in 2018, Arthurs owned two Allstate agencies. He sold both agencies before taking a role with Allstate's corporate office where he assisted insurance agencies across western North Carolina. Arthurs attended Bob Jones University where he received his Bachelor of Science in accounting and business management.
