**WEST CHESTER, PA** — Element Risk Management announced its recent acquisition of National Advisors Group Insurance Agency.

Founded in 2018, National Advisors Group has been on a mission to revolutionize the private client sector within the broader insurance industry. They have focused on providing a consultative [sales](#) process specifically tailored to the upper middle market and mass affluent segments, addressing the unique risk management needs of these often underserved client groups.

“We’re excited to embark on this new chapter with National Advisors Group Insurance Agency as we expand our private client team and now offer a fully national distribution,” commented Dave Rivell, Partner at Element [Risk Management](#). “Their commitment to providing personalized risk management along with comprehensive insurance solutions aligns perfectly with our current commitment to the private client market, and their national footprint fits our vision for the future. Together, we will continue to push the boundaries of what is possible, delivering innovative and customized solutions that meet the evolving needs of our clients.”
