

# A MESSAGE TO CLIENTS OF THE BURNS AGENCY

FROM LISA BURNS & LARRY GILROY | August 2023

After 104 years—and four generations—the time has come for the Burns family to re-imagine the future of The Burns Agency. We are thrilled to announce that **The Burns Agency has been acquired by Gilroy Kernan & Gilroy, Inc.**

The Burns family is proud to leave you—and our family's legacy—in the hands of another local, family-owned, independent insurance agency. Gilroy Kernan & Gilroy (GKG) is a fourth-generation agency that shares many of the same values. GKG is well-known for their customer service, community involvement, and—most of all—their people.

**Our goal with this transition is to minimize any disruption to you. You will continue to see familiar faces in the same places.** The Burns Agency staff will remain in our Clinton office to serve you as we have for many years, now as part of the GKG team.

**Following, we have outlined answers to a few more questions that you may have. We will continue to share updates with you.**

While bittersweet, this acquisition demonstrates the strong commitment of both The Burns Agency and GKG to our community – and now to you, as a customer of GKG.

Gilroy Kernan & Gilroy looks forward to serving you for many years to come!
