

Higginbotham Adds Louisiana's Bourg Insurance as Partner Agency

Higginbotham has joined forces with Bourg Insurance, a long-term family business with deep ties to the South Louisiana community.

Founded in 1958 by Claude 'Toby' Bourg, Jr. and his wife Edith, Bourg Insurance is a personal and commercial property and casualty, life and health insurance agency located in Donaldsonville, Louisiana, with additional offices in Prairieville, Chauvin and Baton Rouge, Louisiana. Now a Higginbotham partner agency, Bourg Insurance is run by Toby and Edith's sons, Brad and Brennan, and son-in-law Chuck Leblanc, as a family- and community-oriented business with a strong emphasis on personal lines and small to middle market companies in the real estate, restaurant and construction sectors, among others.
