## **Welcome Kimbler Insurance Clients!**

We are pleased to announce that Kimbler Insurance, based in Bellingham, WA, has joined Safe Harbor, a Leavitt Group Northwest agency. Kimbler clients will continue to enjoy the same great customer service, while enjoying greater options from more insurance carriers.

### **Choose local. Choose independent. Choose Safe Harbor Insurance.**

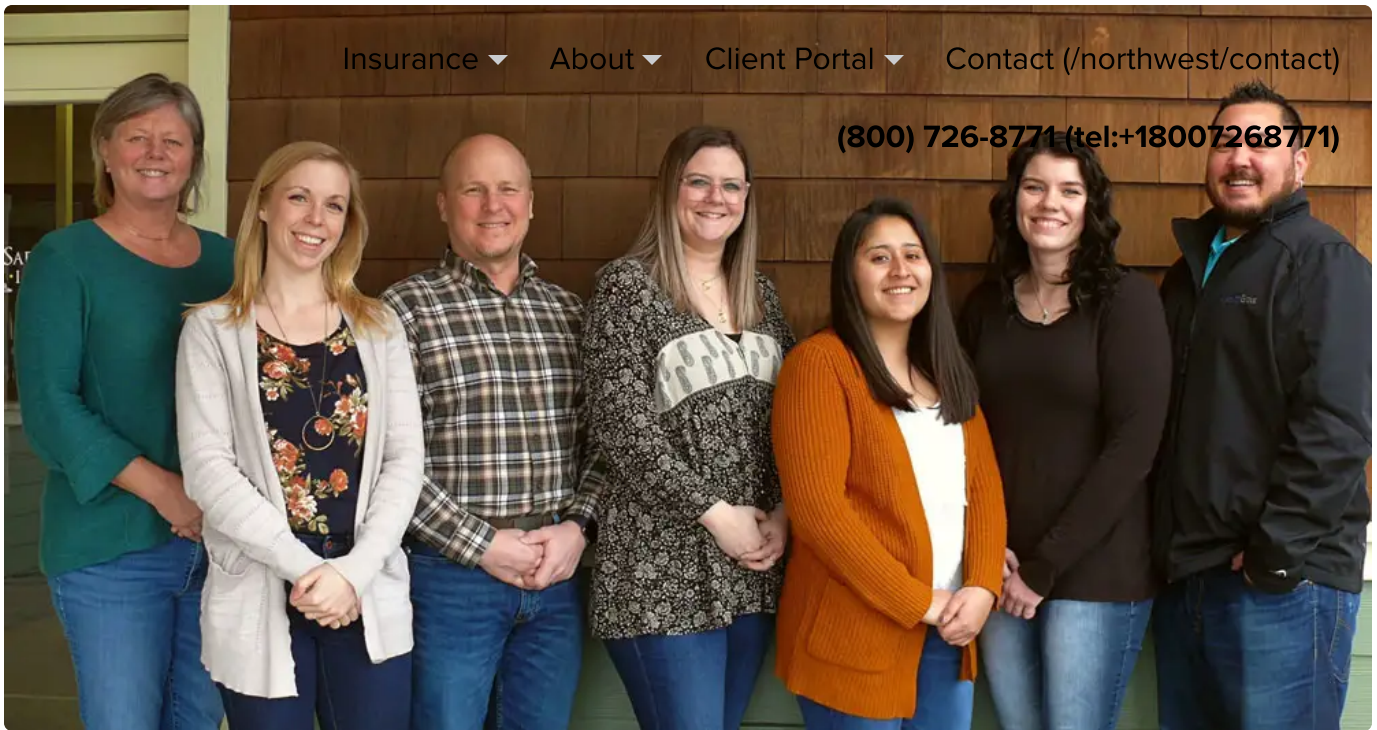

Safe Harbor Insurance is a locally owned and operated insurance agency in Friday Harbor, Washington, part of San Juan County. We recently joined Leavitt Group, giving us greater access to insurance resources to better serve you.

We've been helping the San Juan Islands community and all of Washington (and eleven other states!) compare and save on insurance since 1980. As an independent insurance agency, we work for you, not the insurance carriers. That means we can help you find the best value on auto insurance, home insurance, business insurance, and more from several of Washington's most trusted carriers. Get the insurance you need at a price you can afford.

### **Small Town Heart**

As islanders, we know that one of the greatest things about our community is the way we all come together to support each other, in good times and bad. Whether a client is a lifelong resident or has never set foot on our islands, we strive to give that same personal touch that can only be found in a small town. We do business the "old-fashioned way" — we'll shake your hand, remember your name, and ask about your family — because we really do care.

We also give back to our community every chance we get through our Charity of the Quarter program, community events, and our individual involvement in various local and national organizations.

## Big City Connections

What sets us apart from other San Juan County agencies? We offer more and better insurance options. Our partnership with Leavitt Group Northwest allows us to provide a wider range of policies at more competitive prices than any other local agency.

# Serve and Protect

[Insurance](#)[About](#)[Client Portal](#)[Contact \(/northwest/contact\)](#)

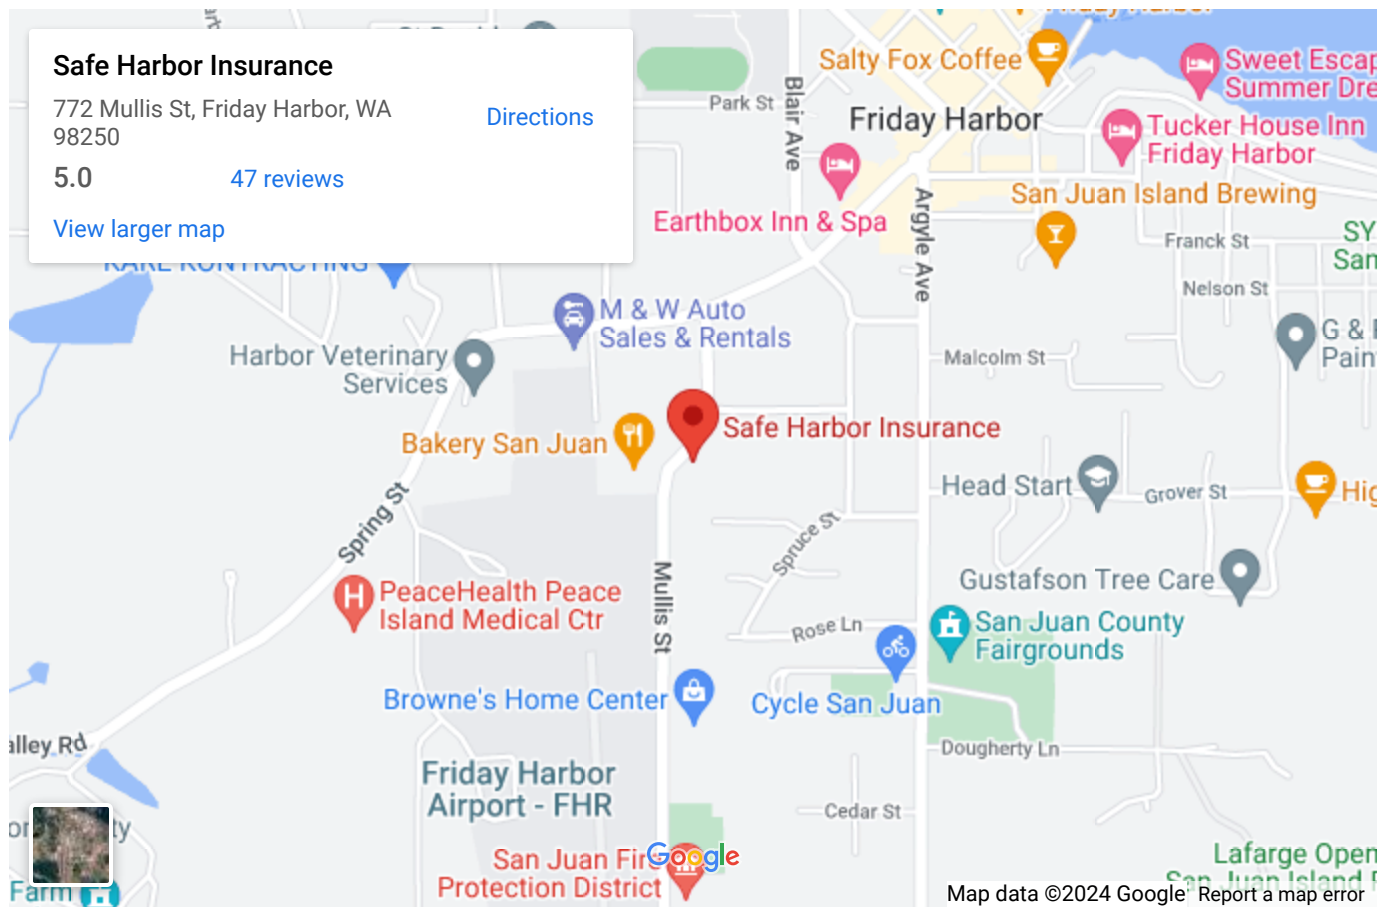

At Safe Harbor, we take our jobs seriously — we care more about protecting our clients than we do about making a sale. In everything we do, we strive to meet the highest standards of honesty and integrity.

We will never sell you coverage you don't need. We will never do anything halfway.

## Proud Member of Leavitt Group Northwest

In 2019 we affiliated with Leavitt Group. We'll continue to provide the same local service as always but now with greater access to more insurance options.
