

# United Insurance Services, Inc Joins WalkerHughes Insurance

1/8/2025 | Stephanie Marsh

We are excited to announce that United Insurance Services, Inc has joined the WalkerHughes Insurance family!

Family owned and operated, the United team has been providing exceptional service to their clients since 1968, which is a legacy we are excited to partner with them to carry on in the Knox County community.

The United team will continue to operate out of their existing office location where they have been housed since 1973. They are looking forward to the future as members of the WalkerHughes team and we are thrilled to welcome these talented insurance professionals and their valued clients aboard!

If you have any questions or would like additional information, please reach out to the local office at 812.882.3560.
