SACRAMENTO, Calif.--(BUSINESS WIRE)--Inszone Insurance Services, a rapidly expanding national provider of commercial, personal, and benefits insurance, proudly announces its acquisition of Eagle Harbor Insurance, LLC, a respected insurance agency located on Bainbridge Island, Washington.

Founded in 1998, Eagle Harbor Insurance has been a trusted provider of personalized insurance solutions for over two decades. Tom Sawyer, who joined Eagle Harbor in 2005, became the owner in 2013 and has skillfully guided the agency, fostering strong client relationships and a respected presence within the local community.

The decision to partner with Inszone Insurance came as Sawyer reached a personal milestone. "After more than 20 years in the insurance industry, I felt it was the right time to transition," said Sawyer. "Choosing Inszone was about more than financials, it was about finding a partner that genuinely valued my staff and our culture. Across all of the offers I reviewed, Inszone stood out because of their commitment to retaining my team, providing excellent employee benefits, and ensuring our agency would continue serving the community."

Chris Walters, CEO of Inszone Insurance Services, shared his enthusiasm about this new partnership: "We're proud to welcome Eagle Harbor Insurance to Inszone. Tom's commitment to his team and clients resonates with our core values. We understand that agencies have many options when considering acquisitions, but we pride ourselves on being the partner who not only values the legacy built but also ensures a stable and rewarding future for employees and clients alike."

Eagle Harbor Insurance clients will continue receiving the exceptional service they have come to expect, now enhanced by the expanded insurance offerings and resources of Inszone Insurance Services.
