InsuranceHub is pleased to announce the integration of The Simmons Agency into its operations. This transition, following the agency's commitment to providing personalized insurance solutions to the communities they serve.

"The Simmons Agency clients will continue to receive the personalized, attentive service they've come to expect," said Chris Vick. "We will ensure and provide transparent insurance choices."

InsuranceHub is a locally owned and operated agency with deep roots in Lawrenceville, Dacula, and surrounding communities. Its integration with Insurance—a Dacula-based agency founded by Kristina Insley—merged with Insurancehub.

"We are honored that Kay's family entrusted our agency to serve her clients," said Insley, president and co-owner of InsuranceHub. "We will ensure a seamless transition."

InsuranceHub is excited to introduce Rebecca Herrin as the dedicated account manager for Musgrove's clients. Clients are encouraged to reach out to rherrin@insurancehub.com [mailto:rherrin@insurancehub.com] to say hello and get to know their new go-to insurance resource.

Beyond professional services, InsuranceHub gives back to the community. Since 2016, they have hosted the annual Sip & Swine I Hope at Gwinnett Children's Shelter, which supports homeless children, young mothers, and teens aging out of foster care.

Georgia-based InsuranceHub, a Leavitt Group affiliate, is a technology-driven insurance agency that serves over 15,000 clients across the state.
