SACRAMENTO, Calif.--(BUSINESS WIRE)--Inszone Insurance Services, a rapidly growing national provider of commercial, personal, and benefits insurance solutions, is excited to announce its acquisition of High Desert Insurance and Group, LLC., a well-established independent insurance agency based in Bend, Oregon.

Since its founding in 2002 by Jeff Melville, High Desert Insurance, known publicly as High Desert Insurance and Financial Services, has earned a strong reputation across Central Oregon for its personal lines and health insurance offerings. With comprehensive coverage options including auto, home, health, life, and business insurance, the firm is recognized for its community involvement and commitment to exceptional service.

The decision to join Inszone Insurance Services was driven by a desire to grow and gain access to more carriers. "As a small business looking to expand, we knew we needed to be part of a larger organization," said Jeff Melville. "We talked to quite a few companies, and Inszone felt like the best fit. From my first conversations with the team, it was clear this partnership would work well."

Chris Walters, CEO of Inszone Insurance Services, shared his excitement about the acquisition, stating, "We are thrilled to welcome High Desert Insurance to Inszone. Jeff and his team have a proven track record and their local expertise and client-first philosophy perfectly align with our mission. We look forward to building on their success together."

Clients of High Desert Insurance will continue receiving the same dedicated, local service they have come to expect, now enhanced by Inszone's expanded carrier network and national resources.
