Resolve Insurance Group announces new partnership with Afore Insurance Services

by resolveins | Dec 12, 2025 | Resolve Insurance Group | 0 comments

Dear Clients & Friends,

We are excited to announce that Resolve Insurance Group has joined BCA Insurance Group, the Mid-Atlantic division of Afore Insurance Services, LLC, one of the top 100 largest national insurance brokerage firms, offering us extensive tools and resources while remaining dedicated to maintaining and preserving our team, local relationships, and control.

We sought a growth partner with a decentralized model that would allow us to remain client-focused and aligned with our motto, "Determined Customer Service". We are convinced that Afore's "Prosperity in Partnership" mission dovetails perfectly with ours,

and we share the same commitment. Afore provides us with substantial resources, including more insurance companies to offer our clients, allowing us to deliver even more competitive pricing and coverage options. The Resolve team members, who will remain at the forefront, also join a broader team of professionals working together to serve you.

Rest assured that our team members and insurance company partners are very supportive of the partnership and how it will help them serve you better. Thank you for your continued business and the confidence you have placed in us. We expect you'll only see positive changes at Resolve as a part of BCA Insurance and Afore. If you have any questions or need anything, please do not hesitate to call us.
