Employee benefits firm Freimark & Associates has partnered with Leavitt Heartland Insurance, a Leavitt Group affiliate with offices across South Dakota. The partnership expands insurance options for clients of both agencies.

Freimark & Associates clients will now have access to home, auto, and business insurance in addition to employee benefits. At the same time, Leavitt Heartland Insurance clients will be able to take advantage of expanded employee benefit services.

"Joining Leavitt Heartland Insurance is a natural step for us," said Todd Freimark, co-owner of Freimark & Associates. "Our focus has always been on making employee benefits accessible, suitable, and easy to understand. This partnership allows us to keep doing that while also opening the door for our clients to find the personal and business insurance they need, all in one place."

Led by Freimark and co-owner Brian Norberg, Freimark & Associates is looking forward to continuing to serve clients with the same trusted guidance. The Watertown office will continue serving clients locally, with the same team members you know and trust.

John Reiners, co-owner of Leavitt Heartland Insurance, said the addition of Freimark & Associates strengthens the agency's ability to serve clients across both the state and the region. "Freimark & Associates brings deep knowledge of employee benefits and a strong reputation for client service," Reiners said. "Together, we can now provide comprehensive solutions that meet both the business and personal insurance needs of our clients."

Leavitt Heartland Insurance has offices in Rapid City, Spearfish, Sturgis, Sioux Falls, and Watertown. As part of Leavitt Group, one of the nation's largest privately held insurance brokerages, the agency combines local relationships with national resources to help clients manage risk with confidence.
