12/1/2025 | Stephanie Marsh

We're excited to share that Benhoff Insurance Agency has officially joined the WalkerHughes Insurance family!

Located in Clinton County, Benhoff has been a trusted resource since 1998, when Bruce Benhoff purchased the agency and continued its commitment to serving local families and businesses with personal, dependable guidance. We are honored to partner together and continue the legacy they've built in their community.

We are thrilled to welcome the Benhoff team and their valued clients aboard! With this partnership, they will continue serving the Clinton County region with expanded resources and support through WalkerHughes Insurance.
