SACRAMENTO, Calif.--(BUSINESS WIRE)--Inszone Insurance Services, a rapidly growing national provider of commercial, personal, and benefits insurance solutions, is pleased to announce its expansion in Oklahoma through the acquisition of Schuessler Insurance, Inc., a long-standing independent insurance agency based in Alva, Oklahoma.

Founded in 1973 by Harvey Schuessler, the agency began as a small operation run from Schuessler's dining room before opening its first office in 1975. Over the decades, Schuessler Insurance built a strong reputation for dependable service and deep community relationships. In 2001, the agency was purchased by Michael Hood, who continued its legacy of personalized service while guiding the business through more than two decades of local growth.

After many years of ownership, Hood began planning for retirement and sought a partner that would ensure continuity for his clients and staff while bringing additional resources to the agency. "I was ready for the next chapter and wanted to make sure the agency and our clients were well taken care of," said Hood. "Being a small-town agency, access to carriers has always been a challenge. Partnering with Inszone gives our clients more options and allows the agency to offer solutions we simply couldn't access before."

"Schuessler Insurance has been a trusted resource in Alva for more than 50 years," said Chris Walters, CEO of Inszone Insurance Services. "Michael has built on that foundation with integrity and dedication to his community. We're excited to welcome Schuessler Insurance to Inszone and provide the support, technology, and

carrier access needed to help the agency continue serving its clients well into the future.”

Schuessler Insurance primarily serves personal and commercial clients, with a strong focus on farm, agriculture, and small business coverage in the surrounding rural communities. The agency team will remain in place, continuing to serve clients locally with the added backing, infrastructure, and market access of Inszone Insurance Services.
