King Risk Partners

Perry Insurance Agency is an independent insurance agency based in North Andover, Massachusetts, serving individuals, families, and businesses for over 15 years with a broad range of property and casualty insurance solutions. The agency offers personal insurance, commercial insurance, and liability coverage options, with a focus on responsive service, integrity, and helping clients feel confident that they are well protected.

"Perry Insurance Agency represents the type of partner we look for as we continue to grow strategically," said Scott Popilek, Chief Executive Officer of King Risk Partners. "They have built meaningful relationships in their community through attentive guidance, trusted client support, and a clear focus on helping individuals, families, and businesses make confident insurance decisions. This partnership supports our continued expansion in Massachusetts and reflects our disciplined approach to growth, which is focused on aligning with agencies that share our values and strengthen the solutions we deliver to clients."

"Our agency has always been built around trusted relationships, thoughtful guidance, and a commitment to helping clients feel confident in their insurance decisions," said Darryl Perry and Marc Perry, Owners of Perry Insurance Agency. "Partnering with King Risk Partners gives us access to expanded resources and broader capabilities while allowing us to continue serving clients with the personal attention they know and value. We are excited for this next chapter and the opportunities it creates for our clients and team."

The addition of Perry Insurance Agency reflects King Risk Partners' continued focus on strategic growth through partnerships with independent agencies that share its commitment to clients, culture, and long-term success.

About King Risk Partners

We value your privacy

Headquartered in Gainesville, Florida, King Risk Partners is the 51st largest insurance brokerage in the U.S. We use cookies to personalize content and ads, to provide social media features and to analyse our traffic.
