Attain Insurance is pleased to announce it has joined Randy Jones & Associates, a Leavitt Group affiliate with 14 locations across Alabama, Georgia, and Tennessee. This strategic partnership allows Attain Insurance to expand its access to carrier markets and resources, creating more opportunities for clients to find the right coverage, while continuing to deliver the high-quality, personalized service they have come to expect.

"We had reached a point where we knew we needed a partner to continue growing; both in size and in what we could offer our clients," said Mark Vaughn, owner of Attain Insurance. "We had worked with Randy Jones & Associates before, so we're not starting from scratch. We're building on an existing relationship with an agency and people we trust."

For nearly 15 years, Attain Insurance has operated on the belief that its insurance products exist to protect its customers. Based in Fort Payne, the agency has built its reputation on making insurance simple and accessible, offering both commercial and personal insurance while prioritizing a straightforward, customer-focused experience.

"We're excited to welcome Mark, Vickie, and the entire Attain Insurance team to Randy Jones & Associates," said Jonathan Pfeiffer, co-owner of Randy Jones & Associates. "They've built a strong, respected agency, and this new partnership allows us to support them with additional resources and opportunities."

Jason Simpson, fellow co-owner of Randy Jones & Associates, added, "Attain Insurance is a natural fit. They bring a strong track record, a loyal client base, and a clear vision for the future. By coming together, we're strengthening our collective ability to deliver more options, more experience, and the quality of service that our clients expect."

The addition of Attain Insurance brings a new office in Fort Payne and Mark, Vickie, Michelle, and Emily as dedicated members to the Randy Jones & Associates team.
