what we can offer.

With this transition, clients will benefit from:

- ▶ Greater access to insurance carriers and coverage options
- ▶ Expanded expertise across personal and commercial insurance
- ▶ Additional support and resources behind the scenes

Just as importantly, your day-to-day experience will remain consistent.

Continuity you can count on.

One of the most important aspects of this acquisition is continuity.

YMI is retaining **100% of licensed agents** from both Robertson Insurance Group and Carl H. Myers Agency. That means you will continue working with the same professionals who understand your needs, your business, and your coverage.

This isn't about replacing relationships—it's about strengthening them.

A message from our team.

At a time when insurance agencies across the country, including here in the Lehigh Valley, are being acquired by private equity-backed firms, this combination sends a different message: that investing in our communities, our people, and our clients is what matters most and what we will always do at YMI," said Honochick.
