Fast-Growing P&C Brokerage Platform Adds Leading Agency Focusing on Fire-Suppression Contractors

TARRYTOWN, N.Y.--(BUSINESS WIRE)--Enterprise Risk Associates LLC ("ERA") today announced the acquisition of Insurance Solutions of America, Inc. ("ISOA") of Oviedo, FL on May 8, 2026. Terms of the transaction were not disclosed.

Founded in 2007 by Scott Lugering and Amber LaSota, Insurance Solutions of America is a national commercial insurance brokerage and risk management consulting firm with deep expertise providing insurance solutions for fire suppression, sprinkler, alarm, and security businesses. Mr. Lugering will remain at the helm of ISOA, and he and his team will continue operating out of their current office.

"We are excited to welcome Scott, Amber, and the Insurance Solutions of America team to ERA," said Adam Wolper, CEO of Enterprise Risk Associates. "The ISOA team has earned the trust of clients through exceptional service and industry knowledge. We look forward to supporting their continued growth while preserving the relationships and service culture that have driven their success."

“This partnership marks an exciting milestone for Insurance Solutions of America, but our mission remains exactly the same,” said Mr. Lugering. “Since 2007, we've built our business by earning the trust of our clients and becoming a true specialist in the fire protection industry. Joining Enterprise Risk Associates gives us access to additional resources and expertise that will help us continue growing while maintaining the personalized service, industry knowledge, and relationships our

clients have always relied on. I'm incredibly proud of what our team has built, and I'm excited about what we'll accomplish together in this next chapter."

About Enterprise Risk Associates LLC

Enterprise Risk Associates is an insurance brokerage holding company focused on acquiring and supporting best-in-class property and casualty insurance agencies. ERA partners with entrepreneurial agencies to provide the capital, infrastructure, and expertise needed to accelerate growth while preserving local leadership and client-first cultures. It currently owns and operates eight agencies across the United States. For more information, For more information, visit ERA's website.
