Inszone Insurance Services Acquires The Lightle Group, LLC DBA Radwick & Lightle, Expanding Employee Benefits Presence in Washington

Share

SACRAMENTO, Calif.--(BUSINESS WIRE)--Inszone Insurance Services, a rapidly growing national provider of commercial, personal, and benefits insurance, is pleased to announce the acquisition of The Lightle Group, LLC DBA Radwick & Lightle. This strategic partnership further strengthens Inszone's footprint in the Pacific Northwest and brings a highly experienced employee benefits team into the organization.

Founded in 2001 by Curt Lightle, Radwick & Lightle has spent over two decades dedicated to the needs of small to mid-sized businesses from its Bremerton, Washington office. The agency built a strong reputation as a trusted advisor, specializing in customized employee benefit strategies, HR support services, compliance support, and claims advocacy.

As Curt Lightle began planning for the long-term future of the agency, Radwick & Lightle focused on finding a partner that could preserve the firm's client-first service model while expanding the resources available to clients and the team. For Senior Benefits Consultant Justin Foltz, the partnership with Inszone represented an opportunity to build on the agency's foundation while gaining the operational support, technology, and market access needed for continued growth.

"When we started looking at what the next chapter should look like, communication, responsiveness, and client care were at the top of the list," said Justin Foltz. "Inszone understood who we are, what our clients mean to us, and the kind of service model we have spent years building. They were not looking to

change the heart of the agency. They wanted to strengthen it, support our team, and give us the tools and resources to keep growing without losing the personal relationships our clients rely on."

By joining Inszone, the Radwick & Lightle team will gain access to a broader suite of insurance markets, enhanced back-office support, and industry-leading technology. Clients will continue to receive the dedicated, customer-focused service they expect, now backed by the power of a national brokerage.

"Curt Lightle, Justin Foltz, and their team have built a remarkable agency focused heavily on empathy, persistence, and personalized benefits and HR support," said Chris Walters, CEO of Inszone Insurance Services. "Their commitment to treating clients as partners rather than transactions aligns perfectly with our core values. We are excited to provide Justin and the rest of the team with the resources they need to scale their operations and continue delivering exceptional benefits solutions to businesses throughout Washington."
