Inszone Insurance Services Acquires Harris Insurance Services, Strengthening Personal Lines Presence in Tulsa, Oklahoma

Share

SACRAMENTO, Calif.--(BUSINESS WIRE)--Inszone Insurance Services, a rapidly growing national provider of commercial, personal, and benefits insurance, is pleased to announce the acquisition of Harris Insurance Services. This strategic acquisition strengthens Inszone's personal lines footprint in Oklahoma, bringing a respected, century-old family agency into the Inszone family.

Founded in 1925 by Charles R. Harris and later incorporated in the 1970s, Charles G. Harris Insurance Agency INC., doing business as Harris Insurance Services, has served the West Tulsa community across three generations of the Harris family. Built on a foundation of personal relationships and dependable service, the agency has specialized in personal lines coverage, including home, auto, umbrella, motorcycle, RV, and boat insurance, earning the trust of its clients for over a century.

With retirement on the horizon, the agency's leadership set out to find a partner who could carry that legacy forward while continuing to deliver the same level of care its clients had come to expect.

"As I started thinking about retirement, I wanted to be sure I was leaving my clients in good hands," said Ross Harris of Harris Insurance Services. "I checked in with five or six other agencies Inszone worked with and every single one gave glowing reviews. That made my decision easy."

Following the acquisition, Harris Insurance Services clients will gain access to the expanded markets, technology, and back-office resources of a national platform,

while the team continues the work of integrating into Inszone's systems and processes.

"Harris Insurance Services is exactly the kind of agency we are proud to welcome," said Chris Walters, CEO of Inszone Insurance Services. "A family business with nearly a hundred years of history and a deep specialty in personal lines does not come along every day. We are honored that the Harris family trusted us to be the next chapter in their story, and we are committed to serving their clients with the same dedication that built this agency over three generations."
