Luebbering Insurance has partnered with Stafford-Leavitt Insurance, bringing together two independent agencies built on relationships, trust, and a long-term commitment to serving clients and communities. The partnership comes as Luebbering Insurance celebrates its 35th year in business this November.

“Finding the right partner was incredibly important to us,” said Dennis Luebbering, owner of Luebbering Insurance. “We wanted a partnership that would continue to serve our clients and support our team well into the future. Stafford-Leavitt was a natural fit because of the trust we’ve built over the years and our shared commitment to relationships.”

The partnership provides Luebbering Insurance with access to additional insurance company relationships and resources while preserving the relationships and service that have defined the agency for the past 35 years. Dennis and Brooks Luebbering will continue as owners, and the Luebbering name will remain an important part of the agency’s identity moving forward. Through Stafford-Leavitt Insurance’s affiliation with Leavitt Group, the agency will also have access to national resources while continuing to provide the local service clients know and trust.

“For us, successful partnerships start with people,” said Josh Stafford, co-owner of Stafford-Leavitt Insurance.” We’re always looking for agencies led by people we know and trust. Dennis, Brooks, and the entire Luebbering team share our values and our commitment to taking care of clients.”

Stafford-Leavitt Insurance is a full-service independent insurance agency serving businesses, individuals, and families throughout Missouri.
