AGENCYEQUITY GUIDES

WalkerHughes Insurance has added Burgett Insurance, a longtime independent insurance agency based in Killbuck, Ohio, to its growing organization.

Burgett Insurance has served the Killbuck community since 1956, building nearly 70 years of history around personal service and longstanding relationships with local clients.

The agency is led by Cory Miller, whose family has been involved with Burgett for decades. According to WalkerHughes, the two organizations share a similar approach centered on maintaining local relationships and remaining active in the communities they serve.

As part of the transition, Burgett Insurance will continue operating from its existing Killbuck location. The office will adopt the WalkerHughes Insurance brand while maintaining its local presence and team.

WalkerHughes said the addition reflects its commitment to partnering with established insurance agencies that have strong community ties and a history of personal client service.

The addition of Burgett expands WalkerHughes Insurance's presence in Ohio while allowing the Killbuck agency to continue serving its existing clients from the same location.

Financial terms and other details of the transaction were not disclosed in the announcement.
