

## **AssuredPartners Announces Partnership with LMC Insurance & Risk Management**

*National Broker Expands in New Territory and Adds Specialty Market.*

LAKE MARY, Fla. ([PRWEB](#)) February 10, 2020 -- AssuredPartners, Inc. is pleased to announce our latest partner, LMC Insurance & Risk Management headquartered in West De Moines, Iowa, to join the national broker team. LMC's operations consist of 290 dedicated employees who will remain under the operational leadership of LMC President and CEO Greg LaMair. The agency is currently ranked #58 on the Business Insurance Top 100 U.S. Brokers list.

“LMC Insurance & Risk Management dates back to a founding in 1865 and partners with individuals, business and industry leaders across the nation to provide property casualty insurance, employee benefits, personal lines, financial services and risk management services,” stated Greg LaMair. “We have a unique alignment with AssuredPartners with our current product lines and geographic office footprint. We also look forward to rapidly expanding our Agricultural Practice area partnering with other AssuredPartners locations countrywide.”

AssuredPartners Western Regions President Randy Larsen stated, “LMC's operations are a great fit for AssuredPartners and truly round out our existing upper Midwest operations with their 11 office locations. In addition, we are excited to partner with their Agri Business Practice area. LMC is one of the largest Agri Business brokers in the United States and AssuredPartners is excited to build the vertical with knowledge and experience LMC is bringing in this business segment.”

“At AssuredPartners, we're not just in the insurance business, we're in the business of cementing powerful, lasting relationships. In finding those relationships there are specific qualities and attributes we are in search of when aligning ourselves with a new partner,” stated AssuredPartners President and COO Tom Riley. “We are delighted when we find those in such a great operation like LMC. We are looking forward to building a stronger partnership and working openly and honestly to achieve common goals.”
