Texan Insurance Acquires Suzanne Brown Agency in Houston

Texan Insurance has acquired Houston-based Suzanne Brown Agency LLC in an all-cash transaction.

Founded in 2001, Suzanne Brown Agency is an independent, full-service insurance agency that specializes in personal and commercial insurance needs.

Suzanne Brown and her 11-member staff will join Texan Insurance and will continue to work out of their existing location in the Houston Energy Corridor.

This acquisition, which was effective at the end of December 2020, is Texan's third in three years and brings its total employee count to over 50.

Texan Insurance is a full-service, family-owned and operated insurance agency serving the greater Houston, Texas, area since 1985.
